

The Arc of Union County's

Operation Arc Angel

The Arc of Union County is now accepting nominations for and wish lists from people with developmental disabilities for Operation Arc Angel. This includes children, adults, seniors, and those living in state facilities who hail from Union County. This is your chance to make wishes come true for those in need this holiday season.

If you or your company would be interested in helping to provide holiday joy for an individual or family, please complete and return the form below. As the wish lists come in, we will distribute them to our generous sponsors.
